Welcome from the Chairman

Welcome once again to this our third Ayr & District Flower Show. Many thanks to all who exhibited in 2017 and 2018 and helped make the show such a success.

I hope you will be able to exhibit again this year, keeping up the high standard of previous years.

It is your show piece for all your dedication and hard work for the general public to enjoy. It is not only the winners who make the show but everyone who takes part.

We hope to build on the success of the previous two shows by adding some additional sections e.g. baking, preserves, honey, handicrafts and walking sticks.

We are also inviting more plant traders and craft stalls by popular request from the public.

Please check Prize Schedule pages for some additions and alterations.

Enjoy the show
